MAY 17 1978

James L. Liverman, Acting Assistant
Secretary for Environment

PALOMARES

Per our conversation and your request, I confirmed that \$40K was authorized to LLL (Phil Dean) to acquire equipment for the Spanish. Chet and Phil feel this is sufficient for the moment, but Chet is meeting with Iranzo in Madrid on May 15-16 and will let me know if he changes his opinion as a result of those discussions.
