The signed "Acknowledgement" form that is returned to you has the purpose of providing DOE's funding for the Otero-Hall Agreement for the U.S. Spanish Cooperative Biomedical Research Program (Project Indalo) for the period of July 30, 1986 through January 31, 1987 only. Nothing has been sent in relation with fundings for the period of February 1, 1986 to July 30, 1986.

Although we sing the form for the last semester of the 1986 fiscal year you must be aware that this mean a parcial payment for the all year which is coming to it end.

Dr. Richmond has told us about the decision taken in the DOE to get the additional funds to complete 240.000 dollars for the all year at the least.

Please, take into consideration that the social and health worries of Palomares people are in a cautious situation at the present and the cut down of funds will disminished the research and surveillance program in Palomares and coluld affect the social situation.

Sincerely yours,
