Mr. Frank Hawkins
Director
Office of International
Health Programs
Department of Energy
Germantown, MD 20874-1290

Dear Mr. Hawkins:

I received a big surprise package in the mail today—the plaque of appreciation for the work done on the Palmares, Spain Scientific Review Committee. It will hang proudly on my office wall in the future. It is nice to be appreciated. Thank you very much.

Sincerely,

George L. Voelz, M.D.
