

Department of Energy
Germantown, MD 20874-I 290

JUN 07 2001

His Excellency Banny de Brum
Ambassador of the Republic of
the Marshall Islands
-Embassy of the Republic of
the Marshall Islands
2433 Massachusetts Avenue. NW
Washington, D.C. 20008

Dear Ambassador de Brum:

Enclosed is a report, prepared by the Lawrence Livermore National Laboratory, that addresses the issue of tracer material fallout distribution and any possible health effects. This satisfies our commitment to the Republic of the Marshall Islands (RMI) Government at the Department of Energy/RMI meeting on October 17, 1999.

The report is available for public access on the Office of Health Programs' website at <http://tis.eh.doe.gov/ihp/marsh/marshall.htm> under the "Environmental Documents" button.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank Hawkins", with a large, stylized flourish at the end.

Frank Hawkins
Chief Operating Officer
Office of Health Programs
